We will decide Your credit limit based on your affordability to repayment and our internal procedures and tell You what it is. We may change it at any time and will let You know about any change.

3. Your payments

3.1 We will send You monthly statements, unless there have been no payments into or out of the account during that period and the balance is nil.

3.2 The minimum amount You must pay Us each month will be the greater of:

Your statement will show the minimum You must pay and the payment date. You can pay all or part of the credit early at any time. Your statement will show the methods by which payment can be made. You should bear in mind that **if You only ever make the minimum payment, it will take longer and cost You more to repay the total amount outstanding.**
