## **Assurance Report on Use of Proceeds from Sustainability Bonds Issuance of Bank of China Limited**

### **To Bank of China Limited**

We have been engaged by Bank of China Limited (the “Bank”) to perform a limited assurance engagement, as defined by International Standards on Assurance Engagements, here after referred to as the engagement, to report on the Bank’s use of proceeds from February 2022 Sydney Branch Sustainability Bond, March 2023 Hong Kong Branch Sustainability Bond, June 2024 Macau Branch Sustainability Bond, June 2024 Hungarian Branch Sustainability Bond and June 2024 Panama Branch Sustainability Bond issuance (the “Subject Matter”), which comprise the Statement on the proceeds from the issuance of Sustainability Bonds as of 31 December 2024 in the accompanying the Appendix A and the Statement on the disbursements of the proceeds from Sustainability Bonds as of 31 December 2024 in the accompanying Appendix B.

### **Criteria applied by the Bank**

In preparing the use of proceeds from Sustainability Bonds issuance in the Appendix A and Appendix B, the Bank applied the *Green Bond Principles 2021*, the *Social Bond Principles 2023* and the *Sustainability Bond Guidelines 2021* published by International Capital Market Association (the “Criteria”).

### **The Bank’s Responsibility**

The Bank’s management is responsible for selecting the Criteria, and for presenting the use of proceeds from Sustainability Bonds issuance in accordance with that Criteria, in all material respects. This responsibility includes establishing and maintaining internal controls, maintaining adequate records and making estimates that are relevant to the preparation of the subject matter, such that it is free from material misstatement, whether due to fraud or error.

### **Assurance Practitioner’s Responsibility**

Our responsibility is to express a conclusion on the presentation of the Subject Matter based on the evidence we have obtained.

We conducted our engagement in accordance with *International Standard for Assurance Engagements Other than Audits or Reviews of Historical Financial Information (“ISAE 3000 (Revised)”)*. The standard require that we plan and perform our engagement to express a conclusion on whether we are aware of any material modifications that need to be made to the Subject Matter in order for it to be in accordance with the Criteria, and to issue a report. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risk of material misstatement, whether due to fraud or error.

We believe that the evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusions.

## **Our Independence and Quality Management**

We have maintained our independence and confirm that we have met the requirements of the *Code of Ethics for Professional Accountants* issued by the International Ethics Standards Board for Accountants, and have the required competencies and experience to conduct this assurance engagement.

EY also applies International Standard on Quality Management 1: *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, which requires that we design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

## **Description of Procedures performed**

Procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for a reasonable assurance engagement. Consequently the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Our procedures were designed to obtain a limited level of assurance on which to base our conclusion and do not provide all the evidence that would be required to provide a reasonable level of assurance.

Although we considered the effectiveness of management's internal controls when determining the nature and extent of our procedures, our assurance engagement was not designed to provide assurance on internal controls. Our procedures did not include testing controls or performing procedures relating to checking aggregation or calculation of data within IT systems.

A limited assurance engagement consists of making enquiries, primarily of persons responsible for preparing the use of proceeds from Sustainability Bonds issuance and related information, and applying analytical and other appropriate procedures.

Our procedures included:

- Conducted interviews with personnel to understand the business and reporting process;
- Conducted interviews with key personnel to understand the process for collecting, collating and reporting the subject matter;
- Checked the Bank's policies and procedures in relation to the subject matter;
- Checked the register of use of proceeds from the Bank's Sustainability Bonds Issuance maintained by the relevant department;
- Tested, on a sample basis, underlying source information to check the accuracy of the data.

We also performed such other procedures as we considered necessary in the circumstances.

## Conclusion

Based on our procedures and the evidence obtained, we are not aware of any material modifications that should be made to the use of proceeds from Sustainability Bonds Issuance as of 31 December 2024 in the Appendix A and Appendix B, in order for it to be in accordance with the Criteria.

## Restricted Use

Our responsibility in performing our procedures and reporting thereon is to the Bank only and in accordance with terms of reference for this engagement as agreed with them. The report may not be suitable for another purpose. We do not therefore accept or assume any responsibility for any other purpose or to any other person or organization. Any reliance of any such third party may place on the Bank's Sustainability Bonds Issuance is entirely at its own risk.

## Appendix A

### Statement on the proceeds from the issuance of Sustainability Bonds as of 31 December 2024

In accordance with the *Green Bond Principles 2021*, the *Social Bond Principles 2023* and the *Sustainability Bonds Guidelines 2021* published by the International Capital Market Association, we provide an account of USD 400.00 million raised by Bank of China Sydney Branch (hereinafter referred to as “BOC Sydney Branch”) from the issuance of February 2022 Sydney Branch Sustainability Bond filed on 28 February 2022; CNH 1,000 million raised by Bank of China Hong Kong Branch (hereinafter referred to as “BOC Hong Kong Branch”) from the issuance of March 2023 Hong Kong Branch Sustainability Bond filed on 20 March 2023; CNH 1,000 million raised by Bank of China Macau Branch (hereinafter referred to as “BOC Macau Branch”) from the issuance of June 2024 Macau Branch Sustainability Bond filed on 18 June 2024; USD 500 million raised by Bank of China Hungarian Branch (hereinafter referred to as “BOC Hungarian Branch”) from the issuance of June 2024 Hungarian Branch Sustainability Bond filed on 18 June 2024; USD 300 million raised by Bank of China Panama Branch (hereinafter referred to as “BOC Panama Branch”) from the issuance of June 2024 Panama Branch Sustainability Bond filed on 18 June 2024 (the “Sustainability Bonds”) as follow:

1. BOC Sydney Branch issued the Sustainability Bond amounting to USD 400.00 million on 28 February 2022, equivalent to CNY 2,539.12 million, and received the proceeds on 7 March 2022.

BOC Hong Kong Branch issued the Sustainability Bond amounting to CNH 1,000.00 million on 20 March 2023, equivalent to CNY 1,000.00 million, and received the proceeds on 27 March 2023.

BOC Macau Branch issued the Sustainability Bond amounting to CNH 1,000.00 million on 18 June 2024, equivalent to CNY 1,000.00 million, and received the proceeds on 26 June 2024.

BOC Hungarian Branch issued the Sustainability Bond amounting to USD 500.00 million on 18 June 2024, equivalent to CNY 3,562.40 million, and received the proceeds on 26 June 2024.

BOC Panama Branch issued the Sustainability Bond amounting to USD 300.00 million on 18 June 2024, equivalent to CNY 2,137.44 million, and received the proceeds on 26 June 2024.

2. Bank of China Limited (hereinafter referred to as “BOC”) constructed a separate register for the proper management of the Sustainability Bonds, including the record of funds received from bond issuance, as well as the disbursements and subsequent recovery of funds, so as to ensure that funds raised are specifically used as intended, solely for eligible projects over the duration of the Sustainability Bonds.
3. Management of BOC is responsible for the preparation of the Statement detailing how funds raised from the issuance of the Sustainability Bonds had been utilized as set out in

Appendix B, including the completeness, accuracy and validity of the information contained in the Statement.

4. Management of BOC declared that as of 31 December 2024, USD 400.00 million、CNH 1,000.00 million、CNH 1,000.00 million、USD 500.00 million and USD 300.00 million had been raised from the issuance of the Sustainability Bonds, net proceeds equated to CNY 10,223.94 million, and all net proceeds had been disbursed to Eligible Projects, in accordance with the *Green Bond Principles 2021*, the *Social Bond Principles 2023* and the *Sustainability Bonds Guidelines 2021* published by the International Capital Market Association.
