(2) **General limit of protection**
If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are reimbursed by a Deposit Guarantee Scheme. This reimbursement is at a maximum EUR 100.000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with a balance of EUR 90.000 and a current account with a balance of EUR 20.000, the reimbursement will be limited to EUR 100.000.
In the cases mentioned in the article 171, paragraph 2 of the Law of 18 December 2015, relating to the failure of credit institutions and certain investment companies, the deposits are guaranteed over EUR 100.000. In these cases they are covered up to a maximum of EUR 2.500.000. For further information please consult website of Fond de Garantie des Dépôts Luxembourg: www.fgdl.lu.

(3) **Limit of protection for joint accounts**
In case of joint accounts, the limit of EUR 100.000 applies to each depositor. However, deposits in an account to which two or more persons are entitled as business partners, members of an association, or grouping of a similar nature, without the status of a legal entity, are aggregated and treated as if they are made by a single depositor for the purpose of calculating the limit of EUR 100.000.
