2.2 Bonus Interest is applicable only to the SGD sub-account of an MCS Account, or any other foreign currency sub-account as determined by the Bank.

2.3 If an Account Holder holds more than one MCS Account as the main account holder, only one of those accounts will be eligible for SmartSaver. BOC reserves the right in its sole and absolute discretion to choose which of those accounts is eligible.

2.4 These terms and conditions are supplemented by the terms and conditions stated on the relevant webpages and other materials containing information on BOC SmartSaver and shall be read in conjunction with the Bank's Terms and Conditions Governing Accounts and the Cardmember Agreement, copies of which may be viewed at www.bankofchina.com/sg. In the event of any inconsistency between these terms and conditions on one part and the Bank's Terms and Conditions Governing Accounts, these terms and conditions shall prevail.

3. Prevailing Interest and Bonus Interest

3.1 An Account Holder will earn prevailing interest ("Prevailing Interest") at varying tiers on his/her MCS Account. Prevailing Interest is credited on a monthly basis.

3.2 In addition to Prevailing Interest, an Account Holder will receive bonus interest ("Bonus Interest") if he/she satisfies certain eligibility criteria within that calendar month. Bonus Interest will be calculated subject to the AAB Limits as determined by the Bank.

3.3 No Bonus Interest will be calculated or awarded should the Account Holder's AAB be less than the AAB Floor.

4. Eligibility Criteria for SmartSaver

4.1 Wealth Bonus Interest

To be eligible for Wealth Bonus Interest, an Account Holder must successfully purchase through BOC an eligible financial product of at least the required minimum amount in a single transaction from 1 January 2023. The Account Holder will enjoy the Wealth Bonus Interest for the bonus period determined by BOC and announced on the relevant BOC SmartSaver webpages. Different types of financial products may have different required minimum amounts. Multiple purchases cannot be aggregated for consideration towards the required minimum amount.

If the Account Holder cancels the financial product within 12 months from the issue date of policy, he/she will no longer qualify for the Wealth Bonus Interest.

For eligible financial products with single premium or regular premiums (annual premium payment mode only), only the first premium is considered towards the required minimum amount for the purpose of awarding the Wealth Bonus Interest. Any subsequent premiums will not be eligible.

If the Account Holder makes multiple purchases of eligible financial products that satisfy the Wealth Bonus Interest criteria and there is an overlap of the Wealth Bonus Interest

calculation period, the Account Holder will only receive one Wealth Bonus Interest during the overlapping period and any non-overlapping period.

Wealth Bonus interest computation will commence from the calendar month after the month in which the free-look period for the purchased policy ends or the policy issue date + 21 calendar days, whichever is later.

The Account Holder must be the policy owner of the eligible financial product.

For financial products denominated in foreign currency, BOC will calculate the premium amount in Singapore dollars using BOC's prevailing exchange rate to determine if it meets the required minimum amount.

BOC reserves the right to cancel or suspend payment of the Wealth Bonus Interest and to deduct / claw back any Wealth Bonus Interest paid in the event that any of the foregoing conditions is not met (including the Account Holder ceasing to qualify for it) at any time during the period the Wealth Bonus Interest is payable.

4.2 Card Spend Bonus Interest

Transactions charged by a supplementary cardmember will be aggregated and consolidated with the transactions charged under the principal Card Account. Only retail transactions with a posting date within that calendar month will be eligible (including Instalment Payment Plan ("IPP") and Flexi Balance instalment payments). The amount charged will determine the Card Spend Bonus Interest rate applicable (please see www.bankofchina.com/sg or the relevant brochure for more details). BOC is not responsible for any failure or delay in the transmission or posting of the transactions made by merchants or any other parties.

4.2.2 The following are examples of transactions that will not be eligible:

- f) unposted amounts under IPP and Flexi-Balance transactions;

the total amount of retail transactions in the month that it is cancelled, voided or reversed; and
h) all other transactions as BOC may determine from time to time without prior notice.

4.2.3 An Account Holder's Card Account(s) shall be valid, subsisting and in good standing at all times.

4.3 Salary Crediting Bonus Interest

To be eligible for Salary Credit Bonus Interest, an Account Holder must successfully credit his/her salary of at least the required minimum amount into his/her MCS Account. Only payment with an actual deduction date occurring within that calendar month will be eligible.
